

GBC MC59 Coil Spiral Punch and Binding Machine

This heavy duty binding machine features a manual punch capacity of 20 sheets. This binder uses an electric inserter for 5:1 pitch coil and spiral binding spines.

Constructed from durable metal, the GBC MC59 is designed to handle large sheet volumes with ease. It combines a punch capacity of up to 20 (70gsm) sheets with a binding capability of up to 450 x A4 sheets (50mm coil) using an electric inserter, ensuring efficient and reliable document processing.

Features

- Binds up to 450 (70gsm) sheets at a time using a 50mm coil.
- Punches up to 20x sheets at a time (70gsm)
- Binds A4 and A3 Portrait documents.
- Manual single handle punch
- Crimper tool included
- Easy to access high volume clippings tray
- Compatible with 5:1 metal coils/spirals
- Non-slip rubber feet
- Robust metal construction
